**Cooper Tools Australia announces the release of a
new range of Lufkin measuring wheels.**

Lufkin, the official supplier of measuring equipment to the 1976, 1980, 1984, 1988 and 1992 Olympic Games, has announced the release of 3 new measuring wheels.

The new measuring wheels perform to the high standard of the previous measuring wheels but benefit from updated designs and some extra features.

The range consists of measuring wheels with wheel diameters of 100mm, 160mm and 318mm. Features include trigger brake, handle reset button, solid rubber tyre, accurate counters, split shafts for compact storage, and more.
